

“We Pay for Your Plane” Leaseback Program for the Cirrus SR22”

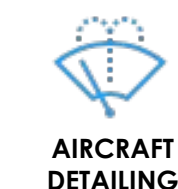

Dear Fellow Cirrus Owner,

Wouldn't it be nice to have someone else pay for your airplane? Excel Air has Orange County's leading Cirrus Management Program and is looking for SR22's to lease as a part of its innovative “We Pay for Your Plane” leaseback program. Join the world's most advanced and innovative high performance flight club!

Inquire about our Leaseback or Fractional Share Program and enjoy the benefits of receiving a guaranteed monthly payment for your aircraft. Allow us to lower your costs of ownership and avoid having to sell your aircraft in a tough market.

If your aircraft meets the program requirements you will be eligible to enter into an operational control agreement with Excel Air allowing us to add your aircraft to our aircraft network. Excel Air Members enjoy access to an entire fleet of aircraft and network of professional pilots. We specialize in Cirrus SR22's but accept all aircraft that bring value to our existing members. Never miss a planned flight because your plane is down for maintenance ever again!

We have potential Lessee's and Fractional Owner's willing to pay for the following:

Special Owner rates apply when using any of our managed aircraft within your service area. Our scheduling system also encourages Pro-Rata ride sharing with other aircraft owners. Please contact us for details of the program and see if your aircraft qualifies! Please email all inquiries to excelflights@gmail.com or feel free to call us at **949.258.2355**

We look forward to hearing from you,

Blue Skies,

**Michael Morgan,
President and CEO**
